/contact	Meta description	none → Opening hours, address and phone number of Boulangerie Martin in Lyon.

PAGES 3

Availability and SEO of each monitored page in October 2026.

Page	Uptime	Incidents	Response	SEO	Accessibility	Eco-design
/ Boulangerie Martin, artisan bakery in Lyon	99.98%	1 10 min	188 ms	94 +12	1 / 1	C 1.2 MB
/commander Order online, Boulangerie Martin	99.97%	1 15 min	250 ms	94 +12	1 / 1	C 1.2 MB
/contact Opening hours and contact, Boulangerie Martin	100%	0	167 ms	94 +12	1 / 1	C 1.2 MB

SEO score: latest analysis of the month, with its change since the last analysis of the previous month. Accessibility: serious problems / failing rules, from automatic WCAG checks, which find part of the problems only. Eco-design: grade from A to G inspired by EcoIndex, from the page size, its requests and its number of elements.

WHAT TO IMPROVE 4

Issues found by the latest SEO analysis of each page, those affecting the most pages first.

- **Serious accessibility issues** Accessibility, 3 of 3 pages
  Hard to use for some visitors: Elements must meet minimum color contrast ratio thresholds (2 elements).
- **Content Security Policy** Security, 3 of 3 pages
  Add a Content-Security-Policy header to limit where scripts, styles and frames can load from.
- **Image dimensions** Images, 3 of 3 pages
  2 of 4 images have no width and height attributes, which causes layout shifts.
- **Image formats** Images, 3 of 3 pages
  2 of 4 images are not in a modern format. Serve WebP or AVIF.

INCIDENTS 2
